

A stylized world map in white and grey, centered on the Atlantic Ocean. The map is overlaid with a network of white lines that curve across the globe, suggesting global connectivity. Binary code (0s and 1s) is scattered throughout the background, particularly in the upper right and lower left corners. A thick red horizontal line is positioned below the main title text.

Part of THE GRAFTON EMPLOYMENT GROUP

International Recruitment Solutions

Are you experiencing a local skills shortage?

Have you tried everything on your local market?

Based on recent research, the number of people on international assignments increased by 25% in the last decade and a further 50% growth is predicted by 2020.

Mobility strategies will need to become more sophisticated and complex as organisations meet growing deployment demands.

PriceWaterhouseCoopers, Talent Mobility 2020
